# THE CRIMSON MRH WEEKEND REVIEW

## **ENGINE OF WAR - 4<sup>TH</sup> - MORPHETTVILLE GROUP 3 2000M**

Engine Of War had the perfect Derby lead-up run on Saturday at Morphettville. He was ridden for cover and finished off strongly for 4<sup>th</sup>, giving every indication that the rise to 2500m will suit him. All eyes now turn to this Saturday, where he is a live chance on the race. Daniel Stackhouse will take the ride.

## **SPACE RIDER - 14<sup>TH</sup> - MORPHETTVILLE GROUP 3 1200M**

Space Rider was ultimately disappointing in the Tobin Bronze Stakes. He was taken back to last from the wide gate and unfortunately just couldn't finish off. Discussions with the owners have now confirmed that he will be gelded.

## **CHIRINGITA & MUKHTALIF - FLEMINGTON BM74 1800M**

Chiringita put in a strong performance late, when having limited room at Flemington. She behaved poorly throughout the day and will benefit from a spell to further develop physically and mentally.

Mukhtalif was beaten a long way out and struggled when changing lead legs in the straight. He will now have a spell and be a promising horse who will be aimed at the spring staying features.

## **DIVERSITY - 14<sup>TH</sup> - EAGLE FARM LISTED 1600M**

Diversity was beaten by the track conditions and by a tough run in transit on Saturday at Eagle Farm. The leader controlled the race and Diversity struggled to make ground, largely due to being 3 wide without cover for the majority of the event.

## **MAWJOOD - 4<sup>TH</sup> - RANDWICK BM78 1200M**

Mawjood was strong at Randwick up in grade and kept trying up on speed. He will improve from the run, and will be very hard to beat down in grade next start.
